NOTE:

For the purpose of levying the above charges for technical consultancy services for MR Cell the following clarifications will apply:

1. Charges towards installation/depreciation of instruments/equipment and consumable required for the field study will be borne by client.
2. In addition to the charges mentioned above, the client will be required to pay for the expenses of TA & DA admissible to the individuals for the entire period of their tour undertaken in connection with the services.
3. If the client wants, the personnel of IBM may undertake journey by air even if they are not entitled for the same under General Rules of the Govt. provided that the client pays for the same.
4. For field work, transport has to be provided by the client. But if he is unable to do so and if department vehicle is available this may be provided on payment of actual for POL and other contingent expenses etc.
5. The rates mentioned above are exclusive of labour charges in connection with the cleaning of bushes assistance in survey work, drawing of samples etc. These are to be charged for separately at actual if the labour is not provided by the client.
6. Any other ancillary work such as chemical analysis Mineralogical and other tests of Ore dressing investigation, if done in the IBM Laboratory/Pilot Plant/other recognized laboratory will be payable by the client separately as per the schedule of charges fixed by the Govt. in this respect from time to time.
7. In case of long term investigations(i.e. which has not been completed within one year from the date of receipt of advance) the above schedule will apply for the work done within one year from the date of receipt of advance and for the work done during each successive period of one year of part thereof, the schedule of charges as prevailing at the beginning of the period concerned will apply.
