Sir,

The following provisions of Mineral Conservation and Development Rules, 1988 (amended up to 2011) were found violated during inspection of the above mine on 15.10.2016 by Sri P.Guruvaiah, Asstt. Mining Geologist of this office and accompanied by Sri C.Srinivasa Reddy, Asst. Mines Manager.

| Rule  | Nature of Violation observed                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 12(3) | The Scheme of Mining for the above mine was approved vide letter No.MS/AP/KNL/L.st-193-SZ dated 24.03.2009 for a period of 2009-2010 to 2013-2014. The validity of approved document expired on 31/03/2014. The scheme of mining for next five years ought to have been submitted to the Regional Controller of Mines Indian Bureau of Mines Hyderabad, at least one hundred twenty days before the expiry of five years period for which it was approved on the last occasion which has not been submitted. |
| 13(1) | Mining operations should have been undertaken in accordance with the approved Mining Plan/Scheme of Mining. Since you have no approved Scheme of Mining for your above mentioned Mine, it is evident that the mining operations are not being carried out in accordance with the approved Scheme of Mining.                                                                                                                                                                                                  |

02. It is brought to your notice that the above said violations constitute an offence punishable under Rule-58 of MCDR, 1988. Besides, inability to comply the provision of Rule 13(1) attracts provisions of Rule 13(2) which are liable for suspension of mining operations under rule 13(2) of MCDR, 1988.

03. You are, therefore, directed to **show-cause** within a period of 30(thirty) days from the date of issue of this letter, as to why you should not be **prosecuted** for the above offence and or Mining operations shall be suspended under the provision of Rule 13(2) of MCDR, 1988 in the Mine till the compliance of the aforesaid violation.

04. Please note that no further notice will be given to you in this regard.

Yours faithfully,

(D.Dash)  
Senior Mining Geologist
