

तकनीकी पत्रिका विषय-सूची ***CURRENT CONTENT***

(Technical Journals)

(A Monthly Current Awareness Service from Technical Journals)

Vol. 08 No. 05, May, 2024

The Central Library, IBM, Nagpur is subscribing the technical journals and also receiving them on complimentary basis on various subjects like Geology, Mining, Mineral Economics etc. These Technical Journals make up an important collection of latest scientific information. The library is rendering Reference Service to its users from these technical Journals (Article Indexing is one of them). Central Library, IBM provides Current Content Service from these technical journals in the name of "GEM" since 2006 on half yearly basis in print form. To expand this service to the IBM Offices all over India i.e. H.Q., Zonal & Regional Offices and to take a call of time, the Controller General, IBM desired to make this service online on monthly basis. The library staff made efforts to make it successful. This is the combined 5th issue of Volume-8 for this service named "तकनीकी पत्रिका विषय - सूची" (Current Content- A Monthly Current Awareness Service from Technical Journals) Vol. 08 No.05, May, 2024.

It will be highly appreciated if the valuable feedback is reciprocated. If some article as per content list is found to be of use by the reader the same may be requested and the library will send the scanned copy of the article to the interested reader.

Minerals & Metals Review, Vol.50 No.02, February 2024

07 **Market Reports**

20 **Budget Focus**

Steel sector cheer 11% rise in infra spending in Budget

Increased capex in Budget on infra to boost demand for metals & minerals

25 **Coal**

Global coal demand expected to decline in coming years

26 **Iron Ore**

Need to upgrade iron ore mining to meet rising steel sector's demand

28 **Mining**

India's uphill battle for lithium in EV boom
Underground coal mining is productive and environment friendly

31 **Techno Trends**

What's next for green steel technologies?

SMS group to build new electric arc furnace for SSAB for fossil-free steel production

36 **Casting**

Gigacasting: The hottest trend in car manufacturing

39 **Ferro Alloys**

IMFA anticipates ferro chrome price correction

40 **Spotlight**

GMDC teams up with IIT (ISM) Dhanbad for mining innovation

41 **Energy Watch**

Oil prices are forecast to trade between \$70 and \$100 a barrel in 2024

42 **Renewable Focus**

China's Belt and Road Initiative turns away from coal

46 **Rare Earth**

Scaling critical minerals value chains sustainably

51 **Events**

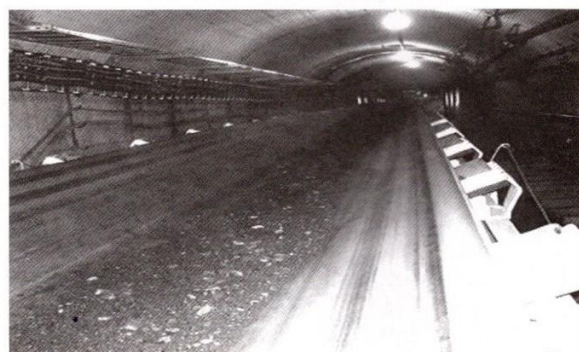

ACMA successfully concludes 8th Edition of iAutoConnect 2023

bauma CONEXPO India to join hands with CFI for its 2024 Edition

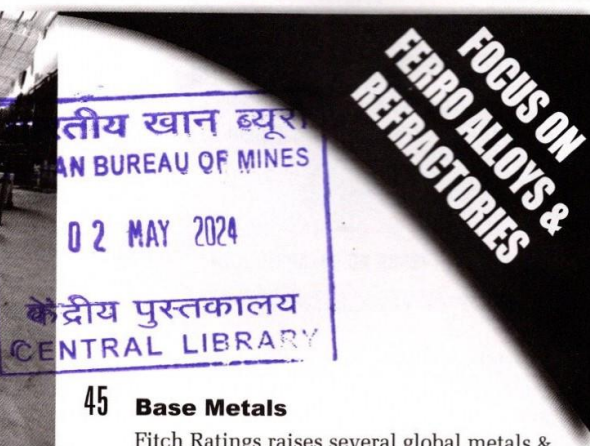

SMEs may leverage IPO boom to meet funding gap, says expert

The Bright World of Metals charts course for Latin America

58 **Statistics**

C contents

05 Market Reports

16 Ferro Alloys

At the heart of steel production lies critical component ferro alloys

China's ferro-alloy industry embraces green revolution

Ferro-alloys sector faces supply challenges & emerging battery technologies

22 Refractories

Indian refractory market is poised for significant growth

Know your precast refractories – and the challenges they bring

29 Perspective

Purchase cheaper or purchase efficiently but with focus on quality

33 Raw Material

A global decarbonization strategic roadmap for the magnesium industry

What's the value of pig iron?

39 Mining

Metals and Mining cos have to act bold now, embrace both growth and decarbonization

41 Chrome

Chrome mining in India and its environmental challenges

45 Base Metals

Fitch Ratings raises several global metals & mining price assumptions

46 Scrap Update

Global scrap prices decline amid steel market uncertainty

The role of scrap in the green transformation process

53 Region Focus

How will the EU's CBAM impact global iron and steel?

57 Stainless Steel

Man Stainless Steel Tube begins its first ERW mill operation

58 Company Profile

Danfoss continues the positive development despite increasing headwinds

60 Energy Update

TCPL set to manufacture Hydrogen-based Internal Combustion Engines

64 Foundry Focus

Sinto and Purdue University partner on Smart Foundry
