| The Drone Survey data submission. | Drone data submitted for the year 2024-25. | The Drone Survey not carried out for the year 2024-25. The submitted Drone Data was carried out was surveyed in 2023-24. | Upon comparing the ortho, DEM, and other shapefile features of the mines for 2023-24 and 2024-25, no differences were observed. This indicates that, despite claims of production and development during 2024-25, the | Rule 34A(1), | The drone data submitted was not surveyed in 2024-25; rather, the data from 2023-24 was resubmitted as if it pertained to 2024-25. In the Drone Survey log sheet, as well as in the Annexure, the survey date is recorded as 14-04-2024. However, upon comparing the ortho, DEM, and other shapefile features of the mines for 2023-24 and 2024-25, no differences were observed. This indicates that, despite claims of production and development during 2024-25, the submitted data does not reflect any such changes. |

| Annual Return: Whether incomplete or false or wrong returns submitted (Rule 45(7))                                                                            | Incomplete or false or wrong returns submitted (Rule 45(7))      | The lease area was entirely explored in the G1 level of exploration in 2023, still resources in the AR 2024-25, reported as 222 categories. In 2024-25, production was recorded at 39.08 tonnes; however, the Reserves and Resources table reflects a depletion of 2,359 tonnes. | Deviation Reported                                              | Rule 45(7), | The lease area was entirely explored in the G1 level of exploration in 2023, still resources in the AR 2024-25, reported as 222 categories. In 2024-25, production was recorded at 39.08 tonnes; however, the Reserves and Resources table reflects a depletion of 2,359 tonnes.                                                                                                                                                                                                    |
| Progressive Mine Closure Plan: Compliance on reclamation and rehabilitation by backfilling/Other means<br><br> Total area and numbers of plantation proposed. | area: 1 Ha, plantation: 1000.                                    | Nil                                                                                                                                                                                                                                                                              | area: 1 Ha, plantation: 1000.                                   | Rule 26(1), | The following Progressive Mine Closure work were not carried out as per the Approved Review of Mining plan No. 684(4)(1) / MP -307/2020-21 - GNR, Dated: 15/01/2021, period 2021-2026. The plan had proposed plantation over an area of 1 hectare with 1,000 saplings. However, no plantation work was undertaken during 2024–25, resulting in a violation of Rule 26(1); therefore, a violation of Rule 26(1) was issued.                                                          |
| Development - Opencast: Location of development w.r.t. lease area                                                                                             | Development Pit no 1,4, 5,6,8,9,12,& 13. Production: 530000.00 T | Development: Nil. Production: 39.08 T                                                                                                                                                                                                                                            | Development Pit no 1,4, 5,6,8,9,12,& 13. Production: 529960.920 | Rule 11(1), | The following mining operations were not carried out as per the Approved Review of Mining plan No. 684(4)(1) / MP -307/2020-21 - GNR, Dated: 15/01/2021, period 2021-2026. No development work was undertaken in 2024-25 as proposed in the approved Review of Mining Plan and Only about 39.08 tonnes of ore minerals were produced in 2024-25, as it was proposed to produce 530000.00 tonnes of ore in 2024-25. This deviation leads to a violation of Rule 11(1) of MCDR, 2017. |

2. In this connection, it is brought to your kind notice that :- a) the above violations constitute an offence punishable under Rule 62 of MCDR 2017 and/or; b) Mining operations can be suspended as per rule 11(2) of MCDR 2017 in case of non compliance of above rules as these violations also affects provisions of Rule11(1) of MCDR 2017 and/or; c) You are advised to rectify the above violation of above Rules immediately and intimate the compliance position to this office, within a period of 45 days for violated rules from date of

issue of this letter. 3. In case of violation of Rule 45, a) You are also liable to pay such amount as prescribed under MCDR 2017 for delay of each day as per Schedule-II, read with Rule 45(7A) in case of non-compliance of various provisions of Rule 45. b) As per provision of Rule 45(7) and/or 45(7A)(ii) the Regional Controller of Mines may take appropriate action including order of suspension of all mining operations and dispatches on non-compliance of various provisions of Rule 45. 4. In context to the violations of Rule 45, this letter has been considered as show cause notice where you are advised to rectify above violation immediately. You are therefore directed to show cause within a period of 30 days for violations of Rule 45 from the date of issue of this letter as to why the action under Rules 45(7) and/or 45(7A) shall not be taken against you. No further notice will be given to you in this regard. 5. In case of violation of Rule 34(A), you are advised to rectify the above violations immediately and upload data online on DDMS portal within 45 (Forty Five) days from the date of issue of this letter. 6. In context to violation of other Rules, you are advised to rectify the above violation of above Rules immediately and intimate the compliance position to this office, within a period of 45 days for violated rules from date of issue of this letter. 7. Please note that no further notice will be given to you in this regard. 8. This letter is being issued with the approval of Regional Controller of Mines.

Yours faithfully,

(Debajyoti Nayak, GANDHINAGAR)  
Junior Mining Geologist
