**Date : 16/04/2026**

**No.: MCDR-MiFL0LST/20/2022-DDN-IBM\_RO\_DDN**

To: Shri/M/s. Mr Deepak  
Bhatnagar, Nominated Owner,  
JANKI MINES &  
MINERALS, Village :  
Kamroo ,Post : Trilor Dhar,  
Ponta Sahib, Kamrou (24)  
Village & Mandal, Sirmaur  
district, Himachal Pradesh,-  
173029

**Subject :** Violation of provision of Mineral Conservation and Development Riles, 2017  
in respect of your 38HPR10079(38HPR10079) over an extent of 5.61 ha in Kamrou  
(24) in , Sirmaur, Himachal Pradesh

The following provision of the MCDR, 2017, were found violated in your above mine during the inspection on 09/01/2026 by Tamal Sur, AMG, in presence of mine official Shri Kedareshwar Mishra, Mine Manager. The lessee have not replied to the violations of rules 11(1) and 55(1) pointed out to the mine. More than 45 days has passed from the date of issuance of violation letter.

### Summary of Violations :

| Items for Reporting                                                                                                                                          | As Per Plan                                                                                                                                                                                                  | Actual                                                                                                                        | Deviation                        | Rule        | Reason                                           | Status       |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------|----------------------------------|-------------|--------------------------------------------------|--------------|
| Annual Return: Appointment of Mining Engineer & Geologist as per provisions of Rule 55 of MCDR,2017                                                          | Geologist : Arun Dhiman & Date of Appointment : 2022-01-31                                                                                                                                                   | Geologist or mining engineer was not present during the inspection.                                                           |                                  | Rule 55(1), | Geologist was not present during the inspection. | Not Complied |
| Progressive Mine Closure Plan: Compliance on reclamation and rehabilitation by backfilling/Other means<br><br>Total area and numbers of plantation proposed. | No reclamation & rehabilitation proposed in the approved mining plan. Plantation : Location : Safety Zone BP08 to BP10, Area : 0.056 Ha, No. of Plant : 30 Plantation : Location : Safety Zone BP06 to BP08, | Plantation proposal has been carried out broadly. But the survival rate of the plants are poor. Most of the plants have died. | Yes. Survival rate is around 30% | Rule 11(1), | Survival rate is around 30%                      | Not Complied |

|                                                                                                       |                                                                                     |                                                                        |                                                                                                                                                             |             |                                                                                                                                        |                 |

01. In this connection, it is brought to your notice that the above violations constitute an offence punishable under Rule 62(1) of Mineral Conservation and Development (Amendment) Rules, 2024, with imprisonment for a term which may extend to two years or with fine which may extend to rupees five lakhs, or with both, and in the case of a continuing contravention, with additional fine which may extend to rupees fifty thousand for every day during which such contravention continues after conviction for the first such contravention. 02. The mining operations can be suspended under Rule 11(1) if compliance of rule is not found satisfactory. 03. You are, therefore, directed to show cause within a period of 30 days from the date of issue of this letter, as to why you should not be prosecuted for the above offence. 04. Please note that no further notice will be given to you in this regard.

Yours faithfully,

(Matiul Islam, DEHRADUN)
