|                                                                                                     |                                                                                                                  | documents not uploaded.                                                                        |                                     |             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |              |
| Annual Return: Appointment of Mining Engineer & Geologist as per provisions of Rule 55 of MCDR,2017 | Appointment of Mining Engineer & Geologist as per provisions of Rule 55 of MCDR,2017 is proposed in Mining plan. | No data has been given regarding the Mines Manager and Geologist in the Annual Return 2024-25. | Geologist not appointed in 2024-25. | Rule 55(1), | As per Rule 55(1) of the Mineral Conservation and Development Rules (MCDR), 2017, every holder of a mining lease is required to employ, in the case of (ii) category 'A' mines having lease area below twenty-five hectares and category 'B' mines, a part-time mining engineer and a part-time geologist. However, in the Annual Return for the year 2024-25, no information has been provided regarding the appointment of a Mining Engineer and Geologist for the said period. | Not Complied |

2. The issued Violation Notice (VN) has exceeded 45 days, and no reply has been received from the applicant; therefore, a Show Cause Notice has been issued to the applicant. 3. In this connection, it is brought to your kind notice that; (1) As per provision of Rule 45(7), on non-compliance of various provisions of Rule 45(5) of MCDR, 2017, the Regional Controller of Mines may take the following actions; a) Order suspension of all mining operations and dispatches in the mine; b) Take action to initiate prosecution under these rules; c) Recommend termination of the mining lease in case such suppression or misrepresentation of information indicates abetment or connivance of illegal mining. (2) As per provisions of Rule 45(7A)(ii)(a) of MCDR 2017, which stipulates that the mining lease holder shall rectify the violation stated in the show cause notice and deposit within the period of thirty days, such amount as specified in Schedule II for the period from the due date of submission of the return till the date of rectification of violation. (3) As per provisions of Rule 45(7A)(ii)(b) of MCDR 2017, if the mining lease holder does not provide a satisfactory reply or rectify the violation within the said period of thirty days, the mining operations and dispatches may be suspended, and any action under sub-rule (7) of Rule 45 may be initiated. (4) The above violations also constitute an offence punishable under Rule 62(1) of MCDR 2017. 4. You are advised to rectify the aforesaid violations pointed out immediately and intimate the compliance position to this office within the period of 30 days from the date of issue of this Show Cause Notice. 5. Therefore in context to above and as per provision of Rule 45(7A)(i) you are hereby directed to show cause within a period of 30 days from the date of issue of this letter as to why the action under rule 45(7) and/or 45(7A)(ii)(b) shall not be taken against you. 6. In context to violation of other Rules, you are advised to rectify the above violation of the above Rules immediately and intimate the compliance position to this office, within a period of 45 days for the violated rules from the date of issue of this letter. 7. No further notice will be given to you in this regard. This letter is being issued with the approval of the Regional Controller of Mines, Gandhinagar.

Yours faithfully,

(Debajyoti Nayak, GANDHINAGAR)  
Junior Mining Geologist
