

Annual Training Calendar of Indian Bureau of Mines FY 2026-27

Sr	Tentative topic/Theme	Duration	Period	Venue/Host	Participants
1	MMDR Act & Rules Framed there under along with Latest Amendments and details of Mineral (Auction) Rules, 2015 and Minerals (Evidence of Mineral Contents) Rules, 2015	2 days Training	April 2026	IBM (HQ), Nagpur	IBM, DGM
2	Online Modules of MTS Portal along with submission of Mining Plan, Returns, Forms and Notices	2 days Training	May 2026	IBM (HQ), Nagpur	IBM, Industry
3	Utilization of digital aerial(Drone & satellite) images for monitoring of mining activities	5 days Workshop	June 2026	GM & MM Cell	IBM (New recruited Officials)
4	Exploration and Mining of Critical Minerals and its Challenges with Global Perspective	1 day Seminar	July 2026	TMP Division	IBM, DGM, Academia, Industry
5	Stoping Practices and Examination/Scrutiny of Stoping Notices received under MCDR, 2017	3 days Training	August 2026	Skill Development Centre, North Zone, Udaipur	IBM
6	Mineral Resource Potential of India's Offshore Areas: Marine Legal Challenges, Deep-Sea Mining Technologies, and Environmental Considerations	1 day Seminar	August 2026	TMP Division	IBM, DGM, Academia, Industry

7	An overview on the methodology of calculations of ASP, Issues / Functions affecting the ASP & Validation of Star rating of Mines	3 days Training	August 2026	MDR Division	IBM
8	Utilization of digital aerial(Drone & satellite) images for monitoring of mining activities	5 days Workshop	September 2026	GM & MM Cell	IBM (New recruited Officials)
9	Capacity Building Programme for State Government and Mining Industry Personnel of North-Eastern states on MTS-related Issues, Mining Plan Preparation & Processing, Introduction to Various New Rules/Acts and Latest Amendments	2 days Training	September 2026	RO, Guwahati	DGM, Industry Personnel of NER
10	Functions of Cheque Drawing DDOs, Budget matters, E-procurement through Government E-Marketplace (GeM), Accounts, Pension, NPS/UPS, e-Bills in PFMS	2 days Training	October 2026	IBM (HQ), Nagpur	IBM
11	Mineral Processing & Characterisation Facilities of IBM, Various Beneficiation Methods (case studies) and Significance of Chemical Analysis in Beneficiation of Ores and Minerals.	Training 02days	November 2026	RMPL, Bangalore	Industry
12	Utilization of digital aerial(Drone & satellite) images for monitoring of mining activities	5 days Workshop	November 2026	GM & MM Cell	IBM (New recruited Officials)
13	Induction Training (Technical)	1 week Training	November 2026	IBM (HQ), Nagpur	IBM

14	Workshop on GeM/e-Office/ehrms/ e-bills in PFMS	1 day Workshop	December 2026	HOO, IBM, Nagpur	IBM
15	MMDR Act & Rules Framed there under along with Latest Amendments and details of Mineral (Auction) Rules, 2015 and Minerals (Evidence of Mineral Contents) Rules, 2015	2 days Training	January 2027	IBM (HQ), Nagpur	Industry
16	Training on mineral management for recently notified minerals from minor to major (Mining plan, Monthly/Annual return submission)	1 day Training	January 2027	Skill Development Centre, North Zone, Udaipur	Industry
17	Induction Training (Non-Technical)	1 week Training	February 2027	IBM (HQ), Nagpur	IBM
18	Training on mineral management for recently notified minerals from minor to major (Drone survey, Filing of Star Rating Templates)	1 day Training	February 2027	Skill Development Centre, North Zone, Udaipur	Industry
